

A photograph of a sailboat on the water, with the text overlaid. The sailboat is white with a yellow cabin and is moving across the water, leaving a white wake. The background is a clear blue sky.

The United States Power Squadrons Seminar Series

Tides & Currents

The seminar deals with how the sun and moon create tidal patterns, sources of information about tides and tidal currents, simple ways to predict height of tide and current flow and how to use both print and electronic tide tables.
