

**The United States Power Squadrons  
Seminar Series**

***USING VHF & VHF/DSC  
MARINE RADIO***

VHF radio is the mainstay of coastal communication and essential for emergency communications. Digital Selective Calling (DSC) is rapidly becoming a reality as more Coast Guard Rescue 21 System operations go live. This seminar explains basic VHF operation. A CD is included with a DSC Simulator that allows you to practice on your computer at home. The handy waterproof McGraw-Hill Captains' Quick Guide Using VHF is included with essential information that you should have aboard.

**Presented by**

**The St. Petersburg Sail & Power Squadron**
